Change Orders - Upon reasonable request of Owner, Home Works Painting may agree to changes, additions, or alterations in the work specified in the Customer Agreement, but Home Works Painting shall not be required to do so until the parties have fully executed a written Change Order, and Owner has agreed to pay Home Works Painting for the changes in the work on the same basis as the cost of work defined in this Customer Agreement. Home Works Painting shall not make any selections relating to color, and any advice related to color selection should be construed as general in nature. Home Works Painting makes no assurances or guarantees that Owner will select a color that Owner will be satisfied with. Any modifications to the color selection(s) made by Owner after a Color Consultation shall be covered by a Change Order as defined above. A cancellation of the Customer Agreement after a Color Consultation is subject to the CANCELLATION PERIOD as defined below.

Damage Due to Protective Coverings – Owner acknowledges and agrees that Home Works Painting may apply protective coverings to various items or belongings of Owner. These coverings may be secured in place with adhesive materials. During the removal of said coverings the adhesive material may damage the covered item. By way of an example, Home Works Painting may cover hardwood floors with plastic and affix the plastic in place with tape. When the tape is removed it may remove the finish of the hardwood floors. Owner acknowledges and agrees that Home Works Painting will not be responsible for the repair or replacement cost of any such damaged items.

Number of Coats of Paint - Owner acknowledges and agrees that the number of coats of paint designated on the front of this Customer Agreement may not sufficiently cover old paint, due to paint variations, sheen changes, the color selected, or paint/stain soaking into dry surfaces. In the event that the originally contracted number of coats of paint is not sufficient to adequately cover the structure, Owner acknowledges and agrees that Home Works Painting shall have the right to charge Owner an additional fee, and Owner agrees to pay such fee, at Home Works Painting's then current rates for similar work, for applying additional coats as requested by Owner.

Perfect Match - Where colors or finishes are to be matched either to an existing color or between one manufacturer and another, Home Works Painting will make a reasonable effort to do so using standard materials from Home Works Painting's local suppliers, but Home Works Painting does not guarantee a perfect match. When trim molding is to be replaced by Home Works Painting as part of the work, Owner acknowledges and agrees that the pattern or shape of the replacement wood may not match the existing trim molding.

Power Wash - Owner acknowledges and agrees that previously painted surfaces may peel after power washing is completed. If the Customer Agreement does not specify painting of any surfaces where paint is peeling after the power wash is completed, Owner acknowledges and agrees that Home Works Painting shall have the right to charge Owner an additional fee, and Owner agrees to pay such fee, at Home Works Painting's then current rates for repainting those areas as requested by Owner.

In the event of any price increase, such price increase shall be reflected in a Change Order, which Owner agrees to sign.

Time & Material Charges – In the event the Customer Agreement allows for and requires Home Works Painting to perform work on a Time & Materials (T&M) basis, Owner acknowledges and agrees that Home Works Painting shall calculate all hours on a per-man basis. Owner agrees to reimburse Home Works Painting for all drive time related to performing the T&M work (i.e., drive time is included in the "Time" portion of T&M). Owner agrees that if T&M work is to be performed, it is a separate option with a separate payment schedule as defined under PAYMENT TERMS.

Wallpaper Removal – Owner acknowledges and agrees that due to the nature of wallpaper removal, it is difficult to detect a variety of possible factors hidden by the wallpaper itself. Factors such as multiple layers of wallpaper, non-primed walls, excessive glue applications and other conditions hidden by

the wallpaper will require additional work over and above standard wallpaper removal. If wallpaper removal is designated on the front of the Customer Agreement, Owner acknowledges and agrees that Home Works Painting shall have the right to charge Owner an additional fee, and Owner agrees to pay such fee, at Home Works Painting's then current rates for similar work, for correcting any unforeseen condition hidden by the wallpaper.
